<b>Category 1 - Standard Label</b>

<b>Category 2 - Commemorative Label</b>

<b>Category 3 - Set of Labels</b>

We would ideally like to receive 25 to 40 examples of each label or set of labels (including back & neck labels).

However we are very grateful to receive as many or as few as you are able to spare us. We realise for new or smaller brewers that cost may be an issue. If this presents a problem for you, please refer to our invitation & information letter.

If your beers are bottled by a third party, we can supply a standard letter authorising them to release labels to us. Please email me at [loty@labology.org.uk](mailto:loty@labology.org.uk) and I will forward a copy to you.

Thank you for continuing to help us, to help UK Charities for this, our 34th year.
